## Our Tapas & Mezes concept is fun and socially engaging...

People gather together and socialize whilst sipping their drinks and sharing smaller portions of food. Tapas & Mezes encourage lunch and dinners to combine several dishes with different tastes rather than the usual one appetizer or one main dish. Our menu is a fusion of delicious Mediterranean cuisines offering many different flavors and sensations within one meal.

**Create your own meal by combining 3 to 4 Tapas & Mezes per person or ask your waiter for our surprising fix menus!**
